PROJECT MANAGER / SENIOR DESIGNER

We are looking for talented, self-motivated individuals who are passionate about designing and delivering highly customized spaces for our clients. Project managers are the clients' primary point of contact from the beginning stages of a project through completion. The position requires excellent communication skills, a positive attitude, attention to detail, anticipatory thinking, and the ability to manage project changes and evolving client requests.

What we'd like to see:

- ◆ 3 – 5 years of design and/or project management experience in a creative field
- ◆ Strong communication skills – both verbal and written as well as experience consulting directly with clients, contractors, and vendors
- ◆ A solid understanding of AutoCAD and SketchUp
- ◆ Strong Adobe Creative Suite skills
- ◆ Hand sketching
- ◆ Furniture, fabric, finish, and fixture selections, specifications, and purchasing experience
- ◆ The ability to collaborate with a team

ASSISTANT DESIGNER

We are looking for talented, self-motivated individuals who are passionate about designing and delivering highly customized spaces for our clients. Assistant designers will help design team members with all aspects of the creative process from creating custom design presentations, sourcing products and material, and assisting with project installations. The position requires excellent communication skills, a positive attitude, attention to detail, and the ability to learn quickly.

What we'd like to see:

- ◆ 1 – 2 years of design experience
- ◆ Strong communication skills – verbal and written
- ◆ A solid understanding of AutoCAD and SketchUp
- ◆ Strong Adobe Creative Suite skills
- ◆ Hand sketching
- ◆ The ability to collaborate with a team

For all positions, please submit a resume, portfolio, and a letter of interest to info@studioAgroup.com
